## Ann Garst Goes To W.A.A. Meet In Berkeley, California

For the first time in the history of J. S. T. C., a delegate was sent to the Athletic Association of the American Federation of College Women which convenes every three years. Ann Garst, Junior student and member of the local W.A.A. Board, was selected to represent Jacksonville at Berkeley, Calif. Alabama was the only South-eastern State represented at the meet, boasting two delegates. The other one was Miss Ruth Joyce of Alabama College at Montevallo. Texas was the only other state in the South represented in the nation-wide meet where sixty-five colleges and universities sent women delegates to discuss athletics, exchange ideas, and to further athletic interests for girls and women.

Miss Garst's itinerary was via Birmingham, New Orleans, Houston, Tuscon to Los Angeles, California, and from Los Angeles to Berkeley. She left April 7. The conference was held April 12, 13, 14.

The three conference days were jammed with speeches, and entertainment leaders in the women's athletic world stressed the point that the development of a brawny, masculine, Amazon-type of womanhood was far removed from the purpose of physical education for women. Instead, leaders everywhere are striving to train women in the intelligent use of leisure time, adding the feminine touch to social leaderships.

The main consideration, however, is to develop more cultured, better poised, and more beautiful women. Unofficial returns of a nation-wide poll indicates that 99.44 per cent of men favor these views. The other .66 per cent failed to vote.

The highlights of the trip, according to Miss Garst, were many. The little Mexican children, who beg vociferously, were made very happy by our diminutive representative who passed out shiny tokens with a pleasing sense of philanthropy. At another point in the trip she was about to don her bathing suit while passing through a desert so that she might swim in a beautiful lake, in case the train stopped. She was stopped in time by the information that it was a mirage, the largest in the United States. Pecos Bridge, 1600 feet long and 350 feet high, a water pageant, horse shows, San Francisco's Chinatown, a French Night Club in New Orleans, and Treasure Island at the San Francisco's Golden Gate Exposition, where Ann narrowly missed seeing Thad Barrow, formerly J. S. T. C. graduate, were all parts of her trip. Incidentally Ann took the ribbon at a banquet for having the "Most Southern Drawl."

The trip home started April 15 and ended April 20. On the basis of notes made during the trips, the W.A.A., under Mrs. Calvert, plans to improve the leadership training of the Women's Physical Federation Department. Long-range plans are being worked out to send a delegate to the 1942 conference which will be held at Wellesley College in Massachusetts.

## Teachers Nosed Out 56-54 By Bulldogs In Final Minute

February 24-25 Date Set  
For First Annual Meet

### BAILEY, TURNER STAR IN THRILLING CAGE BATTLE

In one of the most spectacular basket ball games ever unreel on the floor of Howard College's Causey Gym, the Bulldogs nosed out the strong Jacksonville State Teachers quintet Saturday night. The score, which was tied over twenty times during the scrap, was 56-54. A looping shot from the corner by Cheese Turner, former Piedmont prep school star, spelled defeat in the final fifteen seconds for the gallant five representing the teachers. The battle was the first of a brace of games scheduled between the schools this season. The smooth-working Bulldogs will be seen in action here February 11.

Stephenson's men jumped into the fray with a vengeance from the first whistle, determined to carry the battle to their favored opponents. Despite several push shots from the field by Brutus Baker, Howard center, Jacksonville led at the end of the first period 12-9. Sammy Bailey, brilliant Teacher forward, was hitting the hoop with amazing regularity throughout the game, and he easily led the scoring on both teams by bagging 18 points in the fray. The two teams, fighting desperately, matched goal for goal in the second period to wind up at the half with the count deadlocked 31-31. The overflow crowd was going wild as the classy cagers sank scintillating shots from all angles.

### Furious Battle

Coach Jim Stuart reinserted his scoring aces, Turner and Telford, into the battle in the third quarter, but they were unable to gain on the Owls as Gregg, Machen, and Caldwell found the range and began pouring points into the hopper. The pace never slackened, and the close of the third period found the quintets still tied at 41 points each. Turner, who had been completely bottled up through most of the evening, found the basket for eight points in the final period. With two minutes of playing time remaining, Jacksonville jumped into a lead at 54-52. The Dogs gambled desperately with long shots and finally connected with one to tie the score and set the stage for Turner's game-winning basket. Captain "Swede" Machen, who had dropped in five consecutive free throws during the game, missed four attempts in the closing moments as the thrilling contest ended.

It was a tough battle for the Owls to lose to their bitter rivals. Howard, however, is rated as one of the strongest teams in the South. They recently whipped the Mississippi State Maroons by a good-sized score. "Pop" Gregg, the former all-state performer at Hackleburg High and the lone Sophomore in the Jacksonville lineup, played a bang-up game all the way. He consistently took the ball off the board and his passing set up plenty of scoring plays. He also found time to garner eleven points in the scoring column. Machen did yeoman service in holding the highly-touted Howard Burks to five points in the

game. Caldwell, while not getting as many points as in some previous engagements, proved invaluable in handling the ball and directing the play. Hugo Yancey turned in a sterling game at forward opposite Bailey, and Emmett Plunkett showed up well in the crucial struggle.

The lineups: Howard (56) Burks (5) and Goldman (8) forwards; Baker (12) center; Telford (7) and Turner (14) guards. Browdy (4) Gurley (2) Welch (2) and Hodges (2) substitutes. Jacksonville (54) Bailey (18) and Yancey (4) forwards; Caldwell (9) center; Machen (12) and Gregg (11) guards. Plunkett, substitute.

### COLLEGE TO ENTERTAIN VISITING CAGE TEAMS IN FIRST MEET

Announcement was made this morning by Coach C. C. Dillon that State Teachers College here has been awarded the first annual basketball tourney of the newly-organized Alabama Intercollegiate Conference Association. The big cage event will be held in Kilby Hall or in the new armory, February 24-25, according to information released at Marion yesterday by Captain W. O. Murphy of Marion Military Institute, president of the Conference. Jacksonville was selected as the site for the first cage tourney because of the excellent facilities here for holding such a meet and also because of its central location.

Details for the two-day event will be ironed out in the near future by the tournament committee appointed by President Murphy. It is composed of following coaches: Red Lawson, Snead Junior College; L. W. Richards, St. Bernard College, and C. C. Dillon, of Jacksonville. Dillon is chairman of the committee, and he will be chiefly responsible for the handling of the meet.

Six teams have signified their intention of participating in the tourney, and there is a possibility that a seventh school will enter a team. Schools already in the tourney are Jacksonville, State Teachers College of Troy, State Teachers College of Livingston, Marion, St. Bernard College, and Snead.

The Alabama Intercollegiate Conference Association was organized to give a more uniform athletic set-up among the colleges of the state and to promulgate good sportsmanship among the players in all the colleges. It is similar to the S. I. A. A. in playing code.

The tourney here will be the first college cage meet ever held in Jacksonville, but State Teachers College has been host to the Sixth District High School basketball tourney since 1925. The Jacksonville Eagle-Owls are opening a rigorous schedule this week in an attempt to merit an invitation to the annual S. I. A. A. tourney to be held at Bowling Green, Kentucky in late February.

### Full Career

James Kemp, above, president of the senior class at Jacksonville State Teachers College, is also president of the Morgan Literary Society, member of the "J" Club and the Glee Club. "Red" rounded out a brilliant career in basket ball this year. He is from Douglass.

# Bell Gets No-Hitter

**Jax Tramples  
St. Bernard  
Twice; 5-3, 3-0**

**Munford Frosh  
Strikes Out  
Nine Men**

Ernest "Ding-Dong" Bell, freshman righthander from Munford, Alabama, entered baseball's Hall of Fame here Saturday when he pitched a no-hit, no run game against Paul Richards' St. Bernard College nine in the second game of a twin bill. The game was a seven-inning affair. Bell, in tossing the perfect game, struck out nine men and walked one. Two other men got on base as a result of errors. The score was 3-0 and it gave Jacksonville a clean sweep of the brace of games with St. Bernard and raised the teams' standing in the AIC circuit to the .500 mark.

The local batsmen got busy early in the first game and jumped into a two-run lead on the visitors. Plunkett went out, but Rex Hooten singled and Hudson's double over rightfield fence scored the midget. Hollingsworth fanned but Hudson scored when Machtolff juggled Hampton's fly to right.

The Saints surged back into the lead in the fourth when they got to Percy Purswell for three runs. Coppoch, Green, and Farrell singled in succession. A fly ball and an error pushed the three markers across.

#### Win in Sixth

Coach Stephenson's men won the game in the sixth. Hooten worked Embry for a walk. Hudson rammed a drive into deep right for two bags sending Hooten to third. Hollingsworth singled to score both runners. An error scored Holly later in the frame and the ball game was won. Purswell pitched steady ball all the way for Jacksonville while Embry looked fairly good in going the route for the Cullman team.

#### Second Battle Close

The Owls staked Bell to a one-run lead in the first inning of the nightcap. Plunkett opened things with a single to right. He swiped second and advanced to third when Hooten grounded out. Hudson scored Plunkett with a fly-ball sacrifice to right field. With Lee twirling airtight ball for St. Bernard, Bell was forced to bear down all the way. Jacksonville iced the game in the fifth when Ervin Hampton shot a single to center to score Plunkett who had singled and Hudson, who had walked.

Plunkett saved a run in the sixth when he made a remarkable throw after dropping Green's tremendous drive to deep center. It caught Modena trying to take third.

A cheer went up from the crowd as Bell retired the last man in the seventh to achieve his no-hitter. He received the congratulations of his teammates who crowded around the modest, smiling youngster.

## JAX FINALISTS IN S.I. A.A. TOURNAMENT

**LOSE TO WESTERN  
KENTUCKY BY  
56-43 SCORE**

(From the Teacola)

State Teachers College basketball team, generally recognized as the greatest in the history of the college, finished a banner season in a blaze of glory by reaching the finals in the sixteenth annual basketball tourney of the Southern Intercollegiate Athletic Association held during the past week-end at Bowling Green, Kentucky. Rated little chance by pre-tourney observers of surviving the first round, Coach Julian Stephenson's fast-moving straight-shooting cagers sparked by Sammy Bailey and Emmett Plunkett, bowled over three of the foremost aggregations in the South before bowing in the finals to the splendid Western Kentucky five, who copped the S. I. A. A. championship for the fourth year. The count in the final tussle was 56-43 with Harry Saddler, scintillating forward of the Hilltoppers, accounting for 26 points in a marvelous exhibition of basket ball.

In riding into the finals, the unheralded Jax team pulled three upsets in the minds of the dopesters who rated the tourney as an all-Kentucky affair after the semi-final round. The Teachers pulled a close one out of the coals to trim Delta Teachers in the initial start, 25-23. Delta was a finalist in the meet last season and was set for another run for the crown when the Owls bounced them out in a tough ball game. In the quarter-final round, the Teachers put the blinders on the highly-rated Georgetown College five which was previously unbeaten in college competition. Morehead Teachers, one of the upper-ranking teams in the meet, was vanquished easily in the semi-finals by the basket-hungry Teachers. With Emmett Plunkett and Sam Bailey on a hot streak, there was no stopping the Jacksonville team which had piled up a 35-9 lead at the end of the half.

#### First Year in The Meet

The remarkable showink of Jacksonville is all the more amazing when one weighs the fact that this is the first year that the team has participated in the tournament. The entire team played fine ball through the four day stand, and gained the respect of the coaches and players on all the teams participating in the meet.

In the crucial battle for the S. I. A. A. crown Saturday night, Jacksonville jumped into an early lead and led their mighty opponents for the first twelve minutes. But with the irrepressible "Lighthorse Harry" Saddler, Western's all-S. I. A. A. forward for the past three years, showing the way, the host team turned on a brilliant offensive which left Jacksonville trailing by a 26-18 count at the end of the half. Saddler was bagging his points on unorthodox shots from around the free throw line with his teammates feeding him the ball consistently.

The Hilltoppers, ranked in many quarters as the best college basketball team south of the Mason-Dixon Line, held to this torrid pace in the final half and clung tenaciously to their lead to finish the ball game thirteen points ahead of the Teachers. Ed. Diddle, the Western coach,

kept Saddler in the game all the way fearing a rally by the Alabama team which would have sent his team to the same fate that befell two of Kentucky's strongest teams. The final count was 56-43. It marked Western's fourth win on the tournament in the past six years. Saddler was high scorer for the tournament, scoring 56 points. He was closely pressed by Jacksonville's Sam Bailey, who rang the bell for 50 markers. "Pop" Gregg, who pulled the team through the two opening games, found the netting for 38 tallies while Plunkett was good for 35. Plunkett and Bailey were placed by the writers and coaches on the S. I. A. A. squad of ten, together with five players from Western, two from Louisiana Normal, and one from Murray Teachers.

#### The Lineups:

Western (56) Saddler and Ball (6) forwards; Towery (6) center; Hackett (1) and Stemm (9) guards. Spatig (4) Green (2) Walters (2) and Robinson substitutes.

Jacksonville (43) Bailey (10) and Plunkett (8) forwards; Gregg (8) center; Machen (4) and Kemp (2) guards; Yancey (2) Buford (4) and Hudson (5) substitutes.

Officials: Johnson (Nashville) and Burghard (Jackson).

#### PLUNKETT AND BAILEY MAKE ALL S. I. A. A. TEAM

Emmett Plunkett, senior forward, and A. M. "Sam" Bailey, junior forward, were placed on the all-S. I. A. A. basketball squad of ten picked by coaches and writers following the conclusion of the annual tournament. Each of these men has been at the head of the scoring pack for the rampaging Teachers all season. Bailey hit one of his hottest streaks during the meet and bagged an even fifty points in four games. Outside of the phenomenal Harry Saddler, Plunkett was the most popular and colorful player in the tourney. He hit the strings for 35 points during the event.

Plunkett has played his final game for Jacksonville. For the past four years he has been a thorn in the side of the opposition. He possesses a pair of the best eyes for the basket of any player in the South, and his play is aggressive and smart. He literally steamrollers his opponents into submission with his tremendous speed and energy. He bags long shots with an amazing degree of regularity to pile up the points.

Sam Bailey is the coolest player on the Jacksonville team. He passing has set up hundreds of scoring plays for the team this season, and he is a great team player. His shooting is probably the most accurate of any on the team. He will return for his last season next year.

Each of the players attributed their success to the sterling play of the other members of the team who set up the scoring plays. Kemp, Machen, Gregg, Yancey, Hudson, and Buford were equally instrumental in carrying the team to the finals.

Western Kentucky placed five men on the squad, La. Normal two, and Murray one.

### Capital Writer Compliments Jax

Max Mosey member of the sports staff of the Montgomery Advertiser, passes the compliments of that newspaper on to Jacksonville State Teachers College for going to Bowling Green, Ky., a dark horse and returning with second place in the S. I. A. A. basket ball tournament.

Moseley says:

"Much credit should be bestowed upon an Alabama basketball team, many have never heard of, many have never read about and many who did not know that they had a basketball team. Anyway, this team, the Jacksonville State Teachers College located at Jacksonville, Ala., should be congratulated on such a fine showing the past week-end in the S. I. A. A. basket ball tournament.

"I haven't seen this team play but I have kept in pretty close touch with it. Some observers say that this team is perhaps better than either Auburn or Alabama. Personally, I wouldn't know. But I do know that it made a name for itself Saturday in Bowling Green, Ky. It took the highly touted Western Kentucky Teachers to beat them in the finals.

The Western Kentucky Teachers is the team that Adolph Rupp of the University of Kentucky repeatedly refused to play. Two weeks ago the Kentucky Teachers walloped Vanderbilt and they have lost few games, if any, this season.

Jacksonville regarded as the "dark horse", upset from charts by downing in order the Delta State Teachers from Cleveland, Miss., 25 to 23, Georgetown (Ky.) College 37 to 20, and Morehead (Ky.) Teachers 53 to 38. In the final they bowed to the Western Kentucky Teachers, 56 to 43, after holding an early lead.

## A Beautiful Sadness

I love the cooling winds and drops  
of rain because they make me  
sad;

I love the falling leaves in a rustic  
lane as they fall where others  
had.

Tall trees—they stand, their arms  
outstretched with finger tips  
so bare;

I stopped and gazed at the sepul-  
chral form as the wind uncurled  
my hair.

With head erect, and arms o'er  
head, I gazed into the sky;

I waved at a bird as it soared on  
high—he looked for a last good-  
by.

I stood behind the barren tree; I  
knelt and prayed as I never  
had;

I said, "Oh, God, I do love your  
wonderful world although it  
makes me sad."

The rain reminds me of the tears  
He shed and of the way He  
died;

The ghostly tree, of the cross he  
bore and the clouds, of His face  
as He sighed.

I watched the leaves fall one by  
one;

They were a semblance of the  
hopes He'd had

Of a people who saw no vision of  
a land beyond—

That's why, Oh, God, this beautiful  
world, somehow, makes me  
sad.

—Ruth Sandlin.

## Geography Club Elects Officers

The Geography Club held its bi-monthly meeting Thursday evening, March 2, in Bibb Graves Hall, and chose its leaders for the Spring Quarter. The post of president was handed over to Curtis Williams, Arab senior, by Robert Steed, Winter Quarter prexy. Other officers elected were: Vice-President, Malcolm Street, Secretary-Treasurer, Mrs. Duke, and Reporter, Ted York. The regular program consisted of a round table discussion of the war in China. This discussion was directed by Elvin Smalley, who had, along with several other members of the Geography Club, attended a debate in Anniston, February 24, on "The War in China", between Dr. No-Yong, graduate of Harvard from China, and Yutaka Minakuchi, graduate of Yale from Japan.

## Howard Rodents Chastise Jax Frosh, 26-0

The Jax Eagle-Owlets suffered their second defeat of the year last Thursday afternoon at the hands of a superior Howard College freshman eleven. The local team did not have sufficient reserve strength to cope with the powerful replacements which Howard had at their command. Howard failed to score during the first quarter, but made seven points in the second, and led by that margin at the half. The enemy crossed pay dirt again in the third and twice in the fourth, but only one point after touchdown was made during the last two quarters.

The outstanding football game of the year for the gridders of Jacksonville State Teachers College is slated for the local gridiron this week when the strong and flashy Red Wave from Troy State Teachers College invades the lair of the Eagle-Owls for the renewal of a long and bitter football rivalry. The game is booked for Friday afternoon at 2:30, and it will be the climax of the annual homecoming festivities at the college this week. The Jacksonville-Troy battles are always colorful and thoroughly entertaining to the fans, and the tussle this year will be no exception according to the advance dope emanating from the camps of the two combatants.

Coach "Dizzy" Dillon will send his battlers to the races Friday gunning for the second win in a season somewhat disappointing to the Purple and White supporters. The squad as a whole will be in fighting trim for the fray. Henry Lee Greer, alternate captain and stellar left guard, was held out of the Pensacola battle last week in order that a leg injury might have time to heal. He will lead the team in the game before the old grads, since Captain Eddie Colvin is still hors de combat with a broken bone in his foot. Theo Lauderdale, big guard who was injured early in the year, will not get into the game.

### Trojans Speedy

Troy will show a comparatively light, but fast and shifty array of backs in the homecoming battle. The team has enjoyed fair success in the wars during the season, and will doubtless enter the game as a slight favorite. But the Jacksonville-Troy games are always nip and tuck and a close win for either club would cause little surprise.

Francis Britton, the elusive 170 pound halfback, will again pace the ball-toting department for the Owls. He will open at left halfback and handle most of the running game together with Es Hudson and Baker. Baker will do the passing and Clyde Driskill, at right half, will take care of most of the punting.

Herschel Jones will team with Greer at the guards while Aaron Hand will cavort in the middle of the line at the pivot post. Bobby Felgar and Ralph Williams are expected to get the opening nod at the tackles, and the flanks will be protected by Jimmy Hill and "Swede" Machen.

Elaborate plans are being set for a mammoth pep and cheering campaign during the latter part of the week. The drive will be directed by Azelle Carter, head cheer leader. He will be assisted by Christine Glass, Hugo Yancy, Selena Mae Howe, Adrien Haon, Ruth White, and Jim Wharton, local directors of the yell brigade.

No pains are being spared to make the football game the most attractive and colorful of the year. The struggle is expected to attract

## Jax Cagers Swamp Trio Opponents

Coach Julian Stephenson's 1938-1939 basketeers are off to a brilliant start in the present campaign of cage contests, having disposed of three teams in handy fashion in early season scuffles.

In the opening game of the season, the locals defeated the Merita five of Gadsden, by a score of 57 to 12.

Machen led the Teachers' attack with twelve points, while Caldwell and Buford, who had ten and nine respectively.

The second game of the season was played against the Monsanto cagers, with Jacksonville holding the big end of a 66 to 20 score. Kirby and Boone each made six counters for the visitors, with Caldwell and Gregg ringing up 13 and 10 points to satisfy local demands.

The Bemis Bag Co. came next, but they were driven back after being defeated by a score of 43 to 25. Their strength seemed to be quite a bit greater than that of previous opponents, and for a while, especially in the first quarter, it seemed as if they might cause real trouble. But Bemiston was soon put in place at the little end of the horn. Caldwell for Jacksonville and Mobley for Bemiston were high on the score chart with fourteen and ten markers, respectively.

**NAMED BESSEMER LEADER—**Arnold Caldwell, lanky basketball star at Jacksonville State Teachers College, Saturday was appointed head of the physical department of the Bessemer Y. M. C. A., succeeding George W. Moss, who has gone to Selma Y. M. C. A. The announcement was made Saturday by Judge J. C. B. Gwin, president of the Bessemer Y. M. C. A. Caldwell will assume duties Feb. 1. Caldwell comes well recommended and admirably qualified for his new work with the Bessemer Y. M. C. A., according to C. C. Dailey, executive secretary of the association. He is a native of Sylacauga, Ala., where he graduated from Agricultural High School. During his four years in high school Caldwell starred in all three major sports, baseball, basketball and football, making varsity team all four years. For the past four years he has been attending State Teachers College at Jacksonville where he also made varsity team in all three sports.

# Yankee Bill Comes South To Win J. S. T. C. Honors

Proving that a Yankee can come South to school and make a hit with his classmates from the very start, William H. Friedman of Greene, N. Y., recently was elected president of the junior class at Jacksonville State Teachers' College.

"Yankee Bill," as he is better known to his school mates, was elected president of his sophomore class last year at the start of his second year as a student at Jacksonville. As an indication of his personal popularity, the vote was almost unanimous.

Ninety-three juniors can't be wrong, at least the Jax student body doesn't think so, and because of this feeling the entire school claims "Yank" as a friend.

And he is a friend to his school and all his classmates.

A member of the football team, "Yankee Bill" functions in the backfield, making many sparkling open field runs in every game he plays for the Teachers. He is also a reliable member of the varsity basketball team.

Though he is not an exceptional student, Friedman makes satisfactory grades, slightly above average.

When asked why he chose Jacksonville as the college to which he would go, "Yank" said that he wanted to come South and after investigating a large number of schools with a careful consideration of the courses offered and indicated in the school catalog, he chose J. S. T. C., a fast growing institution of higher learning.

## Ancient Debt Partially Paid By Morgan Group

LIABILITY CUT TO  
ONE DOLLAR ON MULE

It has recently come to light that the president of the Morgan Literary Society has reached down into the money bags of the Literary Society and has pulled out a total amount of two dollars which he advanced as part payment on an age-old debt contracted years ago by the group. This payment leaves only one dollar remaining on the debt which the society hopes to

MORGAN'S MULE

erase from its books as soon as possible.

The problem arose over the fact that, several years ago during the hey-day of the Morgans, the group surreptitiously borrowed a mule from one of Jacksonville's colored gentlemen to use in the campaign. The animal, representing the highest ideals of the Morgan clan, was painted with glowing paint. The chemicals in the paint caused the premature death of the beloved animal and the Morgans were left with a glaring debt hanging on their hands and never since has it been paid off until recently. It is sincerely hoped that the remaining dollar will be paid soon so that the good name of the Morgans will be relieved of the cloud which has hung over it so long. The chief anxiety develops over the fact that the debt has been outstanding so long and the interest has accrued to such an extent that the colored gentleman feels that he holds controlling interest in the Society. Debate lovers are hoping that he will not foreclose and dissolve the Blue and Gold before the Calhouns get a chance to cop the debate.

## Recipe For Morgan

Take one mentally undernourished freshman. Strip him of all remnants of sound judgment. Place in Morgan Concentration camp under supervision of Drs. York and Steed. Soak thoroughly in false Morgan ballyhoo. Refrain from mentioning merits of Calhoun Society. Threaten prospect with expulsion if he deserts. Stir well for several weeks. Add liberal amounts of hot air and roast well every Tuesday night. Results: a dyed-in-the-wool Morgan.

Yea! Morgans

## OBITUARY NOTICE

Whereas, the great God of Fate has decreed that one Society among us has fulfilled its prescribed destiny, and

Whereas, the said Morgan Society has passed out into the Great Beyond from whence no traveler has ever returned, and

Whereas, it is highly regrettable that said Society has left this life since it removes it before one whit of good could be accomplished in its short and troubled life, and

Whereas, it is further to be regretted that the passing of the Morgans reacts against the Calhouns since it eliminates all semblances of competition.

Therefore be it highly resolved that we, as members of the Calhoun Literary Society and sole survivors of the literary groups, fortify ourselves against our allowing another such organization to branch from our noble Society (as did the deceased in 1899).

And be it further resolved, that the Calhouns take it upon themselves to gather the remains of the deceased and prepare it for a suitable burial.

Be it also resolved, that copies of this resolution be sent to the Teacola, The Valley Head Gazette (Ted York), The Ashland Progress (Pete Mathews), and the Coosa River News (R. P. Steed).

Unanimously approved and adopted by the Calhoun Literary Society with the Great Seal fixed by the president thereof, this the year of our Lord, one thousand nine hundred thirty-nine, anno domini.

## A TRUE CALHOUN

High as the sky blue,  
Waves our Calhoun banner true  
of loyalty. We onward March  
To fill the victory arch.  
We Calhouns take the best  
while Morgans take the rest.  
Students join the Calhoun ranks  
lest you, my friend sink.  
As we are closely drawn,  
We feel you are at dawn  
of a grand opportunity to-day  
To rise the Calhoun way.

## Cathon Carter Named Heroine At Cinderella Ball

(Taken from The Teacola)

Saturday evening, January 7, the biggest and best dance of the season was held in Bibb Graves Hall known as the Cinderella Ball. Dim lights, soft laughter, beautiful gowns and exciting music, all lent themselves to blend into a glorious evening of entertainment.

Small silver slippers were pinned on the men's coat lapels as a part of the scheme of decorations, which included blue lighting effects.

The Weatherly Hall lead-out following a short intermission was announced by Pete Mathews and led by Miss Eleanor Simmons, Weatherly Hall president, escorted by Norman Tant.

The grand finale of the evening was the selection of Cinderella. Berman's, of Anniston, furnished a beautiful, dainty pair of slippers, size three and a half. The successful candidate for the title, Miss Cinderella, was chosen after a long series of unsuccessful attempts to wear the slippers. Miss Cathon Carter was found to be able to wear the slippers most successfully. Aaron Hand, her escort, automatically became Prince Charming.

Gowns glimpsed: Prettiest one was a white chiffon, fine pleats falling from waist, white satin bolero, corsage of pink roses, narcissus, and ferns at throat, wearer was the tiny president of Weatherly Hall. . . . quaintest gown was worn by town girl, black taffeta, unusual hoop-skirt. . . . freshman, professor's daughter, black taffeta, backless, row of rose-colored artificial flowers all around top of the gown. . . . glamorous Gadsden visitor, royal blue taffeta with bolero to match. . . . a dazzling array of light greens, roses, whites, blacks. A few girls ventured out with up-swept coiffures.

Lamar Triplett's swing orchestra furnished music for the dance, sponsored by Weatherly Hall.

## MORGAN-CALHOUN DEBATE NEARING

JACKSONVILLE, Ala. — Announcement of two "flower girls" for Morgan sepaers and fixing of date for the big banquet which always precedes the annual renewal of the 50-year-old forensic feud of the Morgans and Calhouns at Jacksonville State Teachers College was made public Saturday by the Morgan and Calhoun officials. Their annual debate will be on April 16 in Kilby Hall.

Miss Mavis Pruett, vivacious freshman from Ashland, will be "flower girl" for Otis Mattison, of Anniston, who will be one of the Morgan sepaers. Ted York, the other Morgan debater, has chosen Edna Storey, of Pigsah, a tall and stately blonde, as his sponsor, or flower girl. The flower girls will, at end of each debater's speech, present speakers with an arm bouquet of flowers.

John Harbour and Norman Tant, Calhoun speakers, will announce names of their flower girls later, they declared, as the Morgans announced their choices. Harbour and Mattison are only two speakers who were members of the teams in last year's debate, which was won by the Morgans. The subject this Spring will be "Resolved: That the U. S. Should Cease to Use Public Funds for the Purpose of Stimulating Business."

The night of April 14 has been chosen for the annual banquet at which sepaers and flower girls will be guests of honor, it has been agreed by James Kemp, Morgan president, and Chadwick Thomas, Calhoun president.

Prof. Newburn Bush, assistant principal of J. H. Bush had an average of 99.8 on his studies at Auburn last summer, the highest in the history of A. P. I., in his first summer's work on his master's. Graduating here in 1936, Bush compiled a high record in his studies while a student at Jacksonville State Teachers College. Besides setting a high record in his books, he played a lot of baseball and football as catcher on the baseball team and quarterback on the college football eleven.

## Baby Owls Flog Livingston Gridders

The freshmen gridironers of J. S. T. C., in their first local game of the year, defeated Livingston State Teachers by a score of 14-6. This victory acted as a tonic for the burning sensation that had been gnawing at the Eagle-Owlets' vitals ever since October 15, the day when Livingston took a heart-breaking game from the locals by a score of 7 to 0.

Neal Royer, Jacksonville left end, gave the Eagle-Owlets their first chance to score when he recovered a Livingston fumble on the enemy's 25-yard line early in the third quarter. After completing a first down on the Livingston 15-yard line, Pope tossed a pass to L. Davis, right end, who made a circus catch over the goal line. James' try for extra point hit the upright post, but did not go through and the score was tied six all.

Later in the third quarter, Orville Pope, stellar fullback, broke through the Livingston line and blocked a punt that gave the Eagle-Owlets a safety, and the fourth period started with Jacksonville leading 8 to 6.

The fourth quarter was dominated by the elusive running of William "Yankee Bill" Friedman, who was easily the surprise man

of the game. It was early in this quarter that Friedman ran a punt back to the Livingston 25-yard line. Simpson partially blocked Suther's punt, and Jacksonville again gained possession of the ball deep in enemy territory. After two straight first downs, Farrell ran off tackle for a touchdown, making the score 14 to 6.

Suther and Sullivan were outstanding in the Livingston backfield, while Speed, Commack, and Wilson were good in the line. Naming all those who starred for Jacksonville would be almost too much of a task. However, ends Royer and Davis, and tackle Simpson were outstanding in the line. Farrell, Scott, and Friedman played good offensive ball in the backfield. Landt, Pope, and Farrel were iron men on defense play for the locals.

## No Wonder It's Cold! There's An Eskimo In Our Midst

Editor's Note:—First of a series of articles dealing with interesting people on the Jacksonville Campus. Do you know Viviette Stockman? Do you?

By Leslie Knowlton

If you were stopped in the hall and asked that question, your answer would probably be something like this: "Oh, you mean that cute brunette freshman with the flirty brown eyes and bright smile who is always bubbling over with energy? Sure I know her."

But I wonder. Maybe you know her as a girl who sits next to you in the English class and makes all A's—but do you know that she lived in Alaska for three years and has been nicknamed "Eskimo" ever since? And that she didn't see a Negro until she was fourteen years old?

Viviette was born in the state of Washington of a Spanish mother and a German father who holds the position of warrant officer in the United States Coast Guard. In 1933 his duties sent him to Ketchikan, Alaska, a city on one of the many islands which lie just off the west coast of the mainland, and his family very suddenly found their whole mode of living transformed.

From a thoroughly Americanized city, they discovered themselves in what might well be considered a foreign city, so vastly different is the Territory from the United States. For the unconscious awareness of space unlimited, the

Stockman family exchanged a very definite feeling of being hemmed in, for the city-island of Ketchikan is only fifteen miles across.

Miss Stockman, when questioned concerning the strange place, said "The great majority of the inhabitants are Norwegians and Swedes, so that a dark-haired person is rarely seen. As to the rest of the population, there are Filipinos and Japs, and Indians who have a section to themselves just like the negro sections of our Southern cities, and who bury their dead in the front yard with a totem pole erected in memory by the grave. All the people eat deer meat, which is very common; there are no vegetables, football, horses, or cows, and few automobiles, Ketchikan being built on the side of a mountain, the streets all parallel and connected by stairs and landings; and the temperature gets down to forty below!"

From this very interesting town, Viviette came back to the States to Glasgow, Montana, about which she says, "The people there drive great herds of sheep through the town twice a day on the way to and from grazing lands."

After leaving Montana, Viviette moved to Pascagoula, Mississippi, where she saw a negro for the first time, and then to Anniston, Ala. where she now resides.

As for hobbies—she hasn't time for one. Ambitions—she wants to go to Hawaii!

She's afraid of a cockroach,  
She'll scream at a mouse,  
But she'll tackle a husband  
As big as a house.

She'll take him for better,  
She'll take him for worse,  
She'll split his head open,  
And then be his nurse.

And when he is well,  
And can get out of bed,  
She'll pick up a teapot  
And throw at his head.

She's faithful, deceitful,

In the evening she won't,  
You're always expecting  
She does—but she don't.

## Dr. Matthews Speaks To Y.W.C.A.-Y.M.C.A.

Thursday morning, December 8, at a special assembly called jointly by the Y. W. C. A. and Y. M. C. A., Dr. K. N. Matthews, pastor of the Methodist Church, addressed the students. His was a thought-provoking speech, and it would have been time well spent had every student heard it.

Dr. Matthews stressed the importance of time alone for contemplation. He asked the question: "Are you an asset or a liability?"

"What," he asked, "are the possibilities of a young man or woman?" This he answered by saying: "Everyone of us can make ourselves invaluable to the world in which we live, and we don't have to have money to do it."

"What are you worth at home? Are you a liability or an asset to this school?"

In closing, Dr. Matthews left this bit of advice: "Somebody's trusting you. Be sure that you do not betray the trust."

R. P. Steed, Y. M. C. A. president, presided over the meeting.

## Eagle-Owl Cagers Get Basket Balls

JACKSONVILLE, Ala. — Silver basket balls, given by the Southern Intercollegiate Athletic Association, were presented Friday to members of the crack basket ball five of Jacksonville State Teachers College in assembly ceremonies in Graves Hall auditorium by Dr. C. W. Dauge, college president, to whom S. I. A. A. officials recently sent the emblems. Name of each player and inscription denoting the team was runner-up in the S. I. A. A. tourney in February, were inscribed on each basket ball to show that it was a reward for the team's record in the tourney.

The balls were presented to Coach J. W. Stephenson and to nine players who made up the squad taking part in the tourney. The players receiving the rewards were Capt. Lewis Machen, Estes Hudson, Red Kemp and Nolen Hancock, guards; Pop Gregg, center, and Hugo Yancey, Sam Bailey, Emmett Plunkett and Roy Buford, forwards. In presenting the victory emblems to the squad, Dr. Dauge paid tribute to the success of Coach Stephenson, a star athlete at Jacksonville before he starred later at University of Alabama, and the players, as he presented each with his award. Each player and the coach received prolonged applause from the student-body, following Dr. Dauge's presentation.

## Fighter or Quitter

(By Grantland Rice)

Fate called a quitter from the crowd  
And barred his pathway to success;  
At each new blow he wailed aloud  
And faltered in the strife and stress;  
And step by step Fate dragged him low  
The easier each passing day,  
And yet he struck no counterblow  
Or ever upward fought his way.  
And at the end he cursed the Fate  
That swept him to such wretched state.  
Fate picked a fighter from the throng  
And barred his pathway to the goal  
At each new blow with purpose strong,  
He fought with ever brave soul;  
And step by step he fought Fate back  
The easier each passing day,  
And soon, before the staunch attack,  
Fate fled in terror from his way.  
And at the end he blessed Fate's whim  
That helped to make a man of him.

## Ye Old Gossip Column

Off to the gossip wars again and only tongue wagers extraordinary can qualify for this excursion. Heave ho and away we go.

Oh, that we were only as easily pleased as ANN LAMBERT. She'll take a PENNY for Christmas... ELEANOR McCLENDON'S theme song, "Lover Come Back To Me."

Among the better cracks of the week was one coined by irrepressible FROSH DAVIS, who, when interrogated concerning his exam grade, said, "Oh, I made a 'B' as in 'dandelion,' which being interpreted, carries no quality points... Is this LOUISE KNOWLTON changing from tackle to tackle just to see what the other side of the line is like? Maybe it's just a reverse over the weak side... ## TEACHERS LOOK TO GRADUATION

JACKSONVILLE, Ala.—The week's commencement program of Jacksonville State Teachers College includes 10 events, the first of which will be the concert by the college orchestra under direction of Mrs. Nathalee Love, according to announcement by Dr. C. W. Dauge, college president, Monday night, May 23. Graduation exercises Monday, May 29, will be the last number on the schedule. Dr. Thomas Alexander, of New York, president of Columbia's New College, will make the graduation address.

The second event of commencement week will be a concert by the college music department under direction of Miss Ada Curtis, head of the music department, Tuesday night, May 24. Thursday night the Jacksonville College Training School will present a program of pantomimes and playlets under direction of Prof. J. L. Landers.

The high school department of the college's laboratory school will hold graduation exercises Friday night, May 26, followed by the college's senior class dance, with music by the State Collegians. The senior class play, "Tweedles," will be presented Saturday night, May 27, in Kilby Hall, with leads taken by Carolyn Robertson and G. C. Weldon.

The Rev. H. Ross Arnold, of the Jacksonville First Baptist Church, will preach the commencement sermon Sunday, May 28. Sunday night the annual joint program, installing new officers, will be staged by the Y. M. C. A. and Y. W. C. A. A meeting of the alumni at 9 a.m. Monday will precede graduation exercises, then the final day May 29.

## New Teacher Added To English Department

The college has made a very interesting addition to its faculty in the person of Mr. Walter H. Derdeyn, who has joined the English Department as a teacher of Shakespeare and English Composition. Having graduated at Carnegie Tech where he majored in English literature and the drama, and having received his M. A. in Education at the University of Pittsburgh, he is completely qualified for the position which he has assumed.

Mr. Derdeyn is a native of Pittsburgh, Pennsylvania, where his father, a well-known violoncellist, is Professor of Music at Carnegie Tech. When he attended this institution in which his father teaches, he studied with B. Iden Payne, the very famous Shakespearean authority, who is now directing the Stratford-On-Avon group in England. After the completion of his graduate work, he organized his own stock company at Somerset, Pennsylvania, and was, himself, a professional actor for sometime. His company put on, among many other plays, "Night Must Fall," "The Devil Passes," "Blind Alley," and one original play.

After he left the stock company, Mr. Derdeyn wrote, in collaboration with J. M. Wilkoff, "A History of Costuming," a book for children, which is used at present in the museum extension branch of the Pennsylvania school system.

He has been, for the past three years, director of the Anniston Little Theatre, in which position he has had marked success. He is, at present, only twenty-seven years old, and this makes him the youngest member of the faculty, but (too bad girls!) he has, as he puts it, "only one wife," who is an actress. He likes swimming, tennis, chess, and vacationing in Michigan, where his father has a summer home, and he collects pipes, of which he has almost forty; these he has arranged on racks and smokes in rotation.

We count ourselves indeed fortunate to have such an interesting person added to our faculty and extend to him a hearty welcome.

## GIRLS' PRESIDENT

ALLENE OLIVER

Miss Allene Oliver was elected president of the girls' division of the Morgan Literary Society. Miss Oliver, a junior from Joppa, Alabama, is an outstanding student, scholastically and otherwise. A conscientious worker, she has many friends among J. S. T. C. students.

Other girl officers are: Wilma Williamson, vice-president; Mirrill Pullen, secretary-treasurer; and Margueritte York, reporter. Wilma is a freshman from Wedowee; Mirrill, a sophomore, hails from Rantburne; and Margueritte is a Jacksonville senior.

## Morgan President

ED COLVIN

Ed Colvin, junior from Stewart, Alabama, was recently elected president of the boy's division of the Morgan Literary Society. As president of the Morgans, Ed will act as secretary of the debate, giving a short history of the literary societies. Colvin is one of the most popular boys on the campus. He has participated in football and baseball while here, being outstanding in both sports. He made all A. I. C. in football last season.

Other newly elected Morgan officers for the boys division include: Herbert Moore, vice-president; and Solon Gregg, secretary-treasurer. Both Moore and Gregg are outstanding campus figures.

## GREER MANAGER; YANCEY BUSINESS MANAGER CAGETEAM

Hugo Yancey, senior forward on the State Teachers College basketball team, will continue to serve in the capacity of business manager for the club during the coming year, according to an announcement by Coach Julian Stephenson. The cage mentor also announced that Henry Greer, likewise a senior, and alternate captain of the College football team, has been named student manager of the basketball team for the 1938-39 season. Both of the lads are very capable and should make excellent assistants for Coach Stephenson throughout the year. The Owls will play one of the toughest schedules in the history of the school this season, and the squad is rated as potentially one of the best in years. Yancey stated today that several long road trips have already been arranged to supplement the very attractive home schedule.

## Band Progresses Here Under Cowart Baton

(Taken from The Teacola)

"Snookie" Cowart's Band, consisting of eighteen pieces, may be heard practicing every Tuesday evening in the music room at Bibb Graves. No visitors being allowed, one just does the lowly act of 'evesdropping' from the outside.

The sax is bravely tooted by Miss Frances Ingram, freshman, while Junior Thomas handles the alto sax. Tump Prickett wheedles sweet notes from a soprano sax. The treat of the shows "Snookie" gives is Mrs. Pyron's little son, Steve, who also plays a tenor sax. Little Steve is like a well-dressed midget in his uniform, being about eighteen inches shorter than any member of the band.

Woodrow Coheally, Charles Pyron, and "Soapy" Bence finger the "slobber stick"—clarinet to you. Paul Landt, Bernice Bishop, Mary Elizabeth McCluer, John Lacy, and Oliver Norman make melody with trumpets. Buster Brown "Jep" Mitchell and Jones Farrell pound the drums.

Everyone is familiar with the golden, liquid notes of the old maestro's trumpet. He puts in hot licks here and there as he directs his band.

"Snookie's" band is a personal project and an extra-curricular activity on his part. Future engagements include a program at the Calhoun meeting and several appearances during the basketball tournament.

## Buzz Borries Stars As Fliers Trim Jax Owls 33-0

All-American in Brilliant Form in Annual Tussle

Playing a vastly superior team, Jacksonville's valiant grid team dropped a 31-0 decision to the Fliers of the United States Naval Station at Pensacola, Florida, Saturday afternoon.

The Jacksonville team fought desperately to forestall an avalanche of touchdowns and held the score to 13-0 until the final period when the tiring lads were pushed around rather handily by the Aviators.

Sparkling the Pensacola attack was Fred "Buzz" Borries, former All-American backfield ace of the Navy. It was a dream to watch the talented Borries run, so perfect were his side stepping and hip movement. Borries, despite his comparative slowness afoot, is one of the greatest football players developed in this country in the past decade. He also made the All-American team in basket ball while at Annapolis.

The fliers used over sixty men in the battle Saturday. Sutton and Hudson stood out in the Owl rear-works, while Jim Hill played sparkling ball in the line.

Line-up:

Jacksonville (0)	Pensacola (31)
Hill	l. e. King
Felgar	l. t. Skoggs
Williams	l. g. Dill
Hand	c. Longley
Jones	r. g. Neff
Machen	r. t. Fitzpatrick

## Morgans-Calhouns To Play March 15

CALHOUNS CONFIDENT OF SECOND WIN IN ROW

Wednesday night, March 15, the Morgan and Calhouns will clash on the Kilby Hall basket ball floor in the fourth of a series of ball games.

The fiery Calhoun team sparked by "Chig" Lusk, out-played out passed, and outsmarted a much larger Morgan team, who played a rough and tumble brand of ball in the last game.

The Calhoun went into the game rated as the underdogs by everyone but themselves. Their spectacular playing in that game coupled with hard practice since has paved the way for bright hopes for another win, evening the count on games won and lost. In this event the fifth and last game will be a savage tilt with hopes about evenly divided between the close guarding Morgan's and the shrewd, wiry Calhoun quintet.

Probable Calhoun lineup: Lusk and Williams forwards; Stewart center; Moore and Creel or Southern guards.

Coaches Steed and Mathews will probably start the following Morgan lineup: Steed and Mathews, forwards; Mathews or Steed center; Steed and Mathews, guards. Substitutes Steed and Mathews.

A dancey, a datey  
Perchancey out latey;  
A classy, a quizzy,  
No passey, gee whizzy.

If you can keep your head when all about you  
Are losing theirs, and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting, to;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And Don't look too good nor talk too wise;

If you can dream and not make dreams your master,  
If you can think and not make thoughts your aim,  
If you can meet with triumph and disaster,  
And treat those two imposters just the same,  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools  
Or watch the things you gave your life to broken  
And stoop and build 'em up with worn out tools.

If you can make one heap of all your winnings,  
And risk it on one turn of pitch-and-toss.  
And lose, and start again at your beginnings,  
And never breath a word about your loss,  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on"

If you can walk with crowds and keep your virtue,  
Or walk with kings, nor lose the common touch  
If neither foes nor loving friends can hurt you  
If all men count with you, but none too much,  
If you can fill the unforgiving minute  
With sixty seconds worth of distance run  
Yours is the Earth and everything that's in it--  
And--what is more, you'll be a Man, My Son!

How we love you, how we love you,  
Dear old school we aim to bless,  
Where the boys and girls together  
Now are striving for success;  
We adore you, we adore you,  
And are working with a will,  
In our dear old Alma Mater  
In the town of Jacksonville.

### CHORUS:

Mid the hills of Alabama,  
Stands our Teachers College dear;  
There's the fount of all our knowledge  
There's our hope undimmed by fear.  
We'll ne'er forget all our pleasures  
And our many many squalls,  
Nor our sweet associations  
In our dear old college halls.

### Second Verse:

We are thinking, we are thinking  
Of the time when we must part,  
For we know there'll be some weeping  
And a sighing in each heart.  
We'll no longer have our teachers;  
We must choose our future way,  
But we hope to be a blessing  
'Till our locks are silvery gray.

### Third Verse:

Help us to live, O mother kind,  
Ever by thy precepts high,  
And may all true sons and daughters  
To the right be ever nigh;

Be to us a beacon light;

O beautiful for spacious skies, for amber waves of grain,  
For purple mountain majesties above the fruited plain,  
America! America! God shed His grace on thee  
And crown thy good with brotherhood from sea to shining sea.

O beautiful for pilgrim feet whose stern impassioned stress,  
A thoroughfare for freedom beat across the wilderness,  
America! America! God mend thine ev'ry flaw  
Confirm thy soul in self-control, thy liberty in law.

O beautiful for patriot dream that sees beyond the years  
Thine alabaster cities gleam undimmed by human tears,  
America; America! God shed His grace on thee,  
And crown thy good with brotherhood from sea to shining sea.

Alabama, Mother Mine.  
But that little—hand, brain, spirit,  
Take, O take, the gift and giver,  
All I have and am are thine.  
Take and serve thyself with me.  
Alabama, Alabama, we will aye be true to thee.

Daughter's  
Birthday

Reflecting the one  
who is wished  
every happiness  
today.

May this newest birthday,

DAUGHTER,

Be a time of special cheer,  
With its many joys reflected  
Through a very happy year!

From Dad & all,

OH FRIEND OF MINE

I may not often see thy face or hear thy voice,  
But through the intervals our thoughts entwine  
And I am richer, for thy love, OH FRIEND OF MINE.

'TIS SWEET TO MEET,  
SAD TO PART----

HARD TO SAY  
"GOOD BYE SWEETHEART."

Here we are together  
Tho we're homeward bound  
We have had some good times  
In this little town.  
Don't you hope that some day  
We may meet again  
Sweet will be the men's lies  
Of days that have been.

Men aren't so much-----but unfortunately  
they're the only other sex we have.

What's the difference between life and love?  
Life is one fool thing after another  
And love is two fool things after each other.

to keep his hands busy, might grow a  
mustache."

Song for You.

I want to make a song for you,  
A tender little song for you —  
That tells you how I long for you.  
Beloved — — — — — .

The little song would cling to you,  
And dear, sweet memories bring to you —  
But Oh, I cannot sing to you,  
Beloved — — — — — .

For when I strive to wake for you  
The melodies that ache for you —  
It seems my heart will break for you,  
Beloved — — — — — .

I'd like to be the sort of friend that you have been to me,  
I'd like to be the help that you've been always glad to be,  
I'd like to mean as much to you each minute of the day  
As you have meant, old friend of mine, to me along the way.

I'd like to do the big things and the splendid things for you,  
To brush away the gray from out your skies and leave them blue;  
I'd like to say the kindly that I so oft have heard,  
And feel that I could rouse your soul the way that mine you've stirred.

I'd like to give you back the joy that you have given me,  
Yt that were wishing upon a need I hope will never be;  
I'd like to make you feel as rich as I, who travel on  
Undaunted in the darkest hours with you to lean upon.

I'm wishing at this time that I could but repay,  
A portion of the gladness that you've strewn along my way;  
Could I have but one wish this year, this only would it be,  
I'd like to be the sort of friend that you have been to me.  
Edgar Guest

God for a way of showing  
What men are,  
Cruel, deceitful, calm and unabashed,  
Taking a pure-true love,  
Loving, torturing ~~the~~  
The meaning of real manhood  
Is by them never grasped.

Dear father is it just?

Is it just?

Are they men or demons,

We love so true

Fair girls is it right to me - to you  
Trampled and damned by them  
Whose triumph knows no bar,  
Oh God! for a way of showing  
What men are!

It was midnight on the ocean  
Not a streetcar was in sight  
The moon was shining brightly  
It rained all day that night.

'Twas a summer day in winter  
And the snowflakes fell like glass,  
A barefoot boy with shoes on,  
Stood sitting on the grass.

'Twas evening and the rising sun  
Was setting in the west  
The little fishes in the bays,  
Were swimming in their nest.

The rain was pouring down  
And the moon was shining bright  
And everything I could see  
Was hidden out of sight.

While the organ peeled potatoes  
Lard was rendered by the chair  
As the sexton rang the dish-rag,  
Someone set the church on fire.

Life's battles don't always go  
To the strongest or the fastest man;  
But soon or late the man who wins  
Is the man who thinks he can.

If you think you are beaten, you are;  
If you think you dare not, you don't;  
If you'd like to win, but think you can't,  
It's almost a cinch you want.

"Just stand aside and watch yourself go by;  
Think of yourself as "he" instead of "I"  
Pick flaws, find fault; forget the man is you  
And strive to make the estimate ring true.

The faults of others then will dwarf and shrink  
Love's chain grows longer by one mighty link,  
When you with "he" as substitute for "I"  
Have stood aside and watched yourself go by."

Don't hunt for trouble, but look for success;  
You'll find what you look for; don't look for distress.  
As you see your shadow remember, I pray,  
That the sun is still shining, but you're in the way.  
Don't grumble, don't bluster, don't dream, and don't chirk;  
Don't think of your worries, but think of your work.  
The worries will vanish, the work will be done  
No man sees the shadow who faces the sun.

## The Goin' Hard

It's goin' hard when you're down an' out,  
With never a helping hand  
T' grasp your own as you grope about,  
With no one t' understand;  
It's road is hard an' th' road is long,  
You hunger for just the glow  
Of a friendly face or a cheery song -  
Th' goin' is hard, I know.

But there's something down in th' depth of you,  
Somethin' that burns and sears,  
Somethin' that sort o' help you through  
Somethin' that stops your tears;  
It points th' way through the heavy night,  
An' it whispers in accents low,  
"You'll win - you must - if your heart is light  
But th' goin' is hard, I know"

Then you set your jaw an' clench your fist,  
An' you breathe with your head held high,  
While you search around for th' chance you missed,  
T' give it another try;  
An' you put your shoulder against th' wheel,  
Your life in your stubborn blow,  
An' you smash your way with a will o' steel,  
Oh, the goin' is hard, I know.

At last you come to the open road,  
Th' day that was last is won,  
Peace deserved in your heart's abode,  
Its light is th' dawning sun;  
You won your fight by yourself you think,

Poor fool : 'I will be ever so,  
Twas God who turned you from failure's brink  
When thi' going was hard, you know  
Dayton Wegefarth.

## "Goodbye"

Are you angry with me darling?  
Are you sorry that we meet?  
Have you learned to love another?  
Has she taught you to forget?

Other lips have kissed you darling  
Other hearts have loved thine  
But no heart has loved you darling  
Like this little heart of mine.

You said you loved me  
Then you went away  
Oh! darling can't you see  
I wanted you to stay.

But if we break up.  
I guess it's best we do;  
So goodbye my darling —  
And take all my heart with you.

## Courage

Courage is not just to bare one's bosom  
to the saber thrust,

Alone is daring

Courage is to grieve, to have the hurt,  
and make the world believe

You are not caring.

Courage does not lie alone in dying  
for a cause. To die - Is only giving.

Courage is to feel the daily daggers  
of relentless steel.

And keep on living.

## The Game of Life

Life is a game of whist; from  
unseen sources

The cards are shuffled and the hands are  
dealt,

Blind are our efforts to control the forces,  
That, though unseen, are not less strongly felt.

I do not like the way the cards are shuffled;

But still I like the game and want to play.

Thus through the long, long night will I untruffled;

Play my hand until the break of day

## Friends

I have no wealth of bonds and gold, as  
wealth today we score,  
Yet I have wealth, wealth untold, for I have  
friends galore;  
I have no wealth in coin or land,  
yet I'm a millionaire,  
For I have friends who understand -  
true friends, come storm, come fair  
I am not rich in things you buy, not rich  
in things you sell,  
Not rich in dollars that soon fly and bid  
you quick farewell;  
But I am rich in friends I've made,  
true friends of sterling worth;  
I wouldn't trade a friend of mine for all  
the gold on earth!

Dear friends of mine, tried pals and true  
you've made life worthwhile,  
All that I owe to you, at trouble I can smile;  
God sent you to me through the years to make  
me love mankind,  
With comfort you have dried my tears, and to my  
faults you're blind.  
I'm unworthy, that is true, of your great faith in me,  
But where you go, there I'll go too, to spend  
eternity;  
No man has penned a truer line since  
this old world knew birth ---  
I wouldn't trade a friend of mine for all  
the gold on earth  
Luke McKee

You fancy she's this  
But you find she is that  
She'll play like a kitten  
and hit like a cat.

In the morning she will,  
In the evening she won't  
you're always expecting  
she does — but she don't.

## A Woman's Theme Song

I can live without purpose  
Live without plan  
Live without dreaming  
Live without man

I can live without pleasures  
Live without fame  
Live without hope and  
Live without gain

I can live without Romance  
And gods only knows!  
But dammit --- it's hard  
to live without clothes.

LINES TO SOMEONE

Aren't you ever lonely?  
Sorta sad and blue.  
Feel so down and outish  
Don't know what to do?

Haven't you been wishing  
Sorta pinning too,  
That the dark clouds would vanish  
Leave the lining blue?

Aren't you ever stricken  
Hard with grief and pain  
Aren't you ever hoping  
Loss will turn to gain?

Haven't you been looking?  
Surely you have guessed?  
That there is someone  
Who loves you best.

JILTED

I'll send him all the notes  
And cards and letters back  
This ring and pictures too--  
They make a goodly pack.  
There's one thing more I want to do,  
'Twould be celestial bliss.  
If I but dared along with these  
Return him every kiss.

# Woman

She's an angel in truth,  
A demon in fiction;  
A woman's the greatest  
Of all contradiction.

She's afraid of a cockroach,  
She'll scream at a mouse,  
But she'll tackle a husband  
As big as a house.

She'll take him for better,  
She'll take him for worse,  
She'll split his head open,  
And then be his nurse.

And when he is well,  
And can get out of bed,  
She'll pick up a teapot  
And throw at his head.

She's faithful, deceitful,  
Keensighted and blind;  
She's crafty, she's simple,  
She's cruel, she's kind.

She'll lift a man up,  
She'll cast a man down;  
She'll make him a hero  
She'll make him her down.

All through the days  
of Springtime  
May you gladly tread  
Through paths of peace  
and pleasure  
To happy days ahead.

CLAY BRITTAIN

Clay Brittain of Alexandria was chosen first speaker for the Calhouns. Clay is a freshman and has an excellent high school record behind him, having served as president of the Beta Club.

Clay may be an amateur in literary society customs, but when it comes to debating, he will be found to be an old hand at it and to know all the tricks.

JOHN CHARLES JOHNSON

Charles Johnson, son of Mr. and Mrs. W. R. Johnson of Anniston, is second speaker for the Calhouns. Charles, a junior, and now president of the History Club, has a very good scholastic record and is quite popular on the campus. SIDNEY WALKER

Sidney Walker, a Junior from Heflin, is the Calhoun third speaker. Walker shares honors with Isabel Roper as editor of the Calhoun edition of The Teacola.

DORTHY WOOD

Clay Brittain, first speaker for the Calhouns, has selected Dorothy Wood, Sophomore of Jacksonville to be his flower girl. Dot has a winning personality and is well known on the campus. She has a lovely voice and is active in the Womans Glee Club.

ISABEL ROPER

Charles Johnson has chosen Isabel Roper, a senior of Jacksonville to be his flower girl. Isabel, who served as flower girl for the second speaker last year, has an outstanding scholastic record and takes an active part in various organizations, as well as church affairs.

WILLENA SEXTON
